

FOR IMMEDIATE RELEASE:

An event of a lifetime: Sustain Life! A Festival of Hope

Nez Perce County Fair Grounds, Lewiston, Idaho – Saturday, July 31, 2010 9:00 AM -6:00 PM Community Action Partnership together with the Ploughshare Institute for Sustainable Culture, St. Gertrude's Monastery and the North Central Idaho Citizens Corp are working together to bring the first Sustain Life Festival to North Central Idaho. There will be demonstrations by skilled craftsmen, live music, and educational seminars teaching a wide variety of skills including wood working, weaving, cheese making, organic gardening and many others, all intended to bring forth not only sustainable agriculture, but a sustainable culture and sustainable life.

There will be hands-on activities for children for a minimal cost and heirloom furniture and crafts will be available for purchase. Parking will be \$5 and seminars are free.

For more information contact David Knittel at 208-798-4201.
